

A New Cookery Competition to Celebrate the Coronation

A New Cookery Competition to Celebrate the Coronation

ement is launching an initiative to find a
ts Britain in 2023

The u3a movement is launching a new

event - Cook for the King - to mark the forthcoming Coronation in May

The initiative is asking members to create a dish that celebrates and reflects Britain in 2023. This could consider King Charles III's campaigning on sustainable farming practices or something that celebrates the diversity in British cuisine today. It is up to members how they choose to interpret the theme - and as always, we look forward to seeing the creativity of u3a members.

We would love the u3a movement to find the Coronation dish of 2023 and we aim to send all the recipes to the Palace.

See more details and how to submit your recipes (and any pictures you have of the cooked dish) on [the Events page](#) on our website. This initiative ends on 10 April.

If you're not yet a u3a member, why not [join us?](#)
