u3a Volunteer Festival

First Ever VolFest

u3a holds its first ever festival for volunteering.

u3a is holding its first ever **VolFest** - a week of training, activity and support for volunteers. Learning, connection and fun takes place every day across the u3a movement because of its member volunteers. Some u3a members also volunteer for the Third Age Trust to support the more than 1,000 local u3as across the United Kingdom.

Jane Bailey, Advice and Volunteering Manager, said, 'This is a fun and interactive week with lots of opportunities to meet other u3a members and to network across the regions and nations.'

Volfest runs for a week from 11th January 2021.
